

Footprints You See. *Measures You Trust.*

*“During walking, more than
1000 muscles are synchronized
to move over 200 bones around
100 movable joints.”*

– Francois Prince

**GAITRite measures those
movements... One Step at a Time!**

*The Portable Gait Analysis
System for You and
Your Patients!*

*CIR Systems Inc./GAITRite
A 14-year history
in research before coming
to clinic.*
